What an Exciting Summer!

Words cannot fully express what is happening every day in Bombardopolis, Haiti. OIH Mission has been a blessing for the children at the *Boirond Tonnerre Center* in Bombardopolis, Haiti.

It's summer time, all children in the community are on vacation; OIH opens its door to feed all children in the community through our benevolent feeding pro-

gram and provides Vacation Bible School to all sponsored children. Every child is happy; they are being fed physically and spiritually. We praise God for our faithful sponsors and donors who generously give towards these two wonderful programs for the benefit of the children in Bombardopolis, Haiti this summer.

August 2006 Newsletter

Haiti needs you more than ever!

Traveling to Haiti is something that everyone especially those who sponsor a child should experience. If God is putting on your heart the desire to go on a short term mission trip to Haiti in **December 2006**, please call us at 1-800-704-7611. It's a blessing that you will not understand until you see for yourself. God will use others, but why not let him use you?

Pray for our kids in Haiti

Haiti is facing high political violence, crimes and kidnappings. Most everyone agrees that the situation is getting worse day after day especially in the capital, Port-au-Prince, Haiti. "Almost no one has been spared" says,

the Haitian Times News, "missionaries, employees of foreign embassies and Haitians both rich and poor have fallen victim to the trend that has given Haiti the highest kidnapping rate in the Americas." Hearing and seeing this political turmoil that Haiti is facing has put our December mission trip in great dilemma. Most American "Haiti Missions" have cancelled their mission trips until Haiti is experiencing peace and security. Please pray for our kids and mission directors as they live in severe stress day after day. Every time a crime happens around them, they are being scared and thinking that they could be next. **Get the latest news about Haiti at: www.Haitiantimes.com**
